

Board Meeting 2/4/2010

- **Action Items**
 -
- **Calendar Items**
 -
- **Meeting Notes**
 - Make a difference Day
 - Cole is contacting schools
 - Solar Decathlon Seminar
 - Going well, 7 so far and 2 more to go
 - Videos
 - Talk to Ben about getting the video hosted
 - look into video sites etc...
 - Setup a project class for next term
 - Have split the current class into 2 teams, solar analysis, and thermal analysis
 - John Muir
 - Not to much interest in the project
 - But the project itself is going well
 - Perhaps have one day of working with the school to focus our effort and get people to show up
 - Speakers series
 - Cole working on getting Alexis Madrigal and smart grid speaker
 - Richard is looking into smart grid guy from SCE
 - Eric replied to Hoi, and she is waiting on her response
 - Budget
 - Hoi is making some minor changes.
